Where would you like to see your dollars spent in our community?

Health Education Financial Stability Basic Needs

Your Partnership Matters

United Way of Northern Cameron County (UWNCC), an organization dedicated to improving lives in Northern Cameron and Willacy counties, has launched a new giving program to help small businesses make a big impact in the communities where they live, work and play. Starting at \$1 a day, small businesses can improve lives by joining UWNCC's **365 Small Business Circle**.

We know small businesses are incredibly committed to their local communities. You want to do your part to make our communities stronger, but it isn't always easy to know how to make a big impact with limited resources. Our **365 Small Business Circle** helps you extend your reach by partnering with us to improve the lives of your families, friends and neighbors.

The **365 Small Business Circle** has three annual membership levels: **365 Member at \$1 a day**, **365 Partner at \$2 a day**, and **365 Leader at \$3 a day**. Each level has corresponding benefits and opportunities to promote your business and your partnership with United Way.

All money raised through the **365 Small Business Circle** will stay here in our community and help support local

organizations and efforts addressing key priorities: Health, Education, Financial Stability and Basic Needs.

United Way is unique because it exists at the intersection of nonprofits, businesses, government, and community. United Way partners with the community to identify local needs and bring people and organizations together to do the work that no single organization can do alone.

SMALL BUSINESS BIG IMPACT

365 days of the year, United Way brings together people, companies and nonprofits to create positive sustainable change in our community. By focusing on education, income and health, we help more children graduate and get stable jobs, help families become financially stable and improve the overall health of our community. When our community succeeds, our local businesses succeed.

For just \$1.00 per day, you can be a part of this movement. Join small businesses across our community by supporting **United Way of Northern Cameron County**.
